Proposed Amendments to Municipal Code Chapter 71, Financial Control

City Staff recommend the following changes to Municipal Code Chapter 71, Financial Control By-law (FCBL), effective October 1, 2025, to support sub-delegation of commitment authority by the City Manager:

1. Clarifying the definition of "commitment" through the removal of redundant language.
2. Updating the administrative requirements for delegating commitment authority in FCBL section 71-18 Divisional Signing Authorities to reflect:
 - a. the City's corporate policy delegation of commitment authority, and
 - b. modernization of electronic approvals.
