Re: Re-open Item HL21.3 - 2025 Board of Health Committees and Appointments

Dear Colleagues,

At its last meeting on January 20, 2025, the Board of Health appointed Charles Ozzoude to the Association of Local Public Health Agencies' (alPHA) Board of Directors and Board of Health Section for a term of office ending December 31, 2025, and until a successor is appointed. Staff recommended that the expenses for attending alPHA's 2025 meetings and semi-annual meetings/conferences be paid within Toronto Public Health's 2025 Approved Operating Budget. It has come to my attention that this recommendation was inadvertently omitted from this motion. By re-opening this item, I am requesting that the Board of Health make a technical amendment in order to adopt this recommendation.

Recommendations:

1. The Board of Health re-open Item HL21.3, headed "2025 Board of Health Committees and Appointments".
2. The Board of Health replace Part 4 with the following revised Part 4:
 4. Appoint Charles Ozzoude to the Association of Local Public Health Agencies' (alPHA) Board of Directors and Board of Health Section for a term of office ending December 31, 2025, and until a successor is appointed and pay expenses for attending alPHA's 2025 meetings and semi-annual meetings/conferences within Toronto Public Health's 2025 Approved Operating Budget.
