To: Infrastructure and Environment Committee

I am writing this letter on behalf of the Weston Historical Society to inform you of our wholehearted support of the Weston Loop Master Plan.

We feel that this plan will revitalize the parks in and around Weston. It offers the chance to improve the use of all the parks by the innovative ideas, one of those being the idea to connect them in a “loop”.

Please add our endorsement to this plan.
Thank you.

Sincerely,

A handwritten signature in black ink that reads "Cherri Hurst". The signature is written in a cursive, flowing style.

Cherri Hurst
President, on behalf of the Weston Historical Society
