### Summary

First approved by City Council in 2004, the Policy for Community Tennis Club Operations establishes Community Tennis Clubs as partners in the delivery of tennis programming across the City. The policy guides the operation of Community Tennis Clubs and includes specific requirements for permits, public hours, and the mutual responsibilities of the Community Tennis Clubs and Parks and Recreation in maintaining the courts at Community Tennis Club locations. Under the policy, Community Tennis Clubs establish and maintain capital reserve funds to make capital repairs and improvements to the Community Tennis Club assets.

Pleasantview Tennis Club is a Community Tennis Club operating at 116 Clydesdale Drive within Clydesdale Park in Ward 17, Don Valley North. Pleasantview Tennis Club is proposing to refurbish four courts to improve court surfacing. The Club will use its capital reserve fund to

cover the costs of the project. This project would be delivered through a construction and donation agreement with Parks and Recreation.

Henry Farm Tennis Club is a Community Tennis Club operating at 15 Havenbrook Blvd within Havenbrook Park in Ward 17, Don Valley North. Henry Farm Tennis Club is proposing to retrofit the existing outdoor court lighting with light-emitting diode fixtures to improve lighting. The Club will use its capital reserve fund to cover the costs of the project. This project would be delivered through a construction and donation agreement with Parks and Recreation.

The total in-kind donation amount for these projects is valued up to \$0.150 million and \$0.075 million. Under City Council's Donations to the City of Toronto for Community Benefits Policy, Council authority is required to accept donations over \$0.050 million. The proposed scopes of work for Pleasantview and Henry Farm Tennis Clubs has been reviewed and approved by staff. No costs will be incurred by Parks and Recreation for the court refurbishment, and ongoing maintenance will be covered through the Division's existing budget.
