Recommendations

Councillor Mike Colle, seconded by Councillor Jamaal Myers, recommends that:

1. City Council authorize the General Manager, Parks and Recreation, to accept a cash donation of up to \$0.100 million from Tennis Canada's Play Your Court program, which is funded in part by National Bank Financial, for the purposes of improving tennis courts at Malvern Park in 2025, and to negotiate and execute a donation agreement, in compliance with the Donations to the City of Toronto for Community Benefits Policy, on terms and conditions satisfactory to the General Manager and in a form and content satisfactory to the City Solicitor.
2. City Council increase the 2025 Parks and Recreation Capital Budget for Malvern Park (Sub-project CAMP(SGR) Parking Lots, Tennis Courts, account CPR118-56) by \$100,000.00 gross, \$0 net, on a one-time basis to enhance the existing park improvement project.

Summary

Play Your Court is Tennis Canada's national program to revitalize over 100 community tennis courts by 2030 in partnership with National Bank Financial and municipalities. Municipalities own the largest inventory of outdoor court infrastructure across the country. There is a growing demand for tennis at the community level and a need to update outdoor community tennis courts.

In 2025, the City of Toronto is improving tennis courts across the city, including improvements to lighting, fencing and court surfaces through its Back on Track program. This donation will provide additional funding to enhance the tennis courts at Malvern Park, creating a high-quality public tennis facility with colour-coated courts for the Malvern community.
