This included the Beltline Gap Connection project.

Since the commencement of the Growing Marlee-Glencairn Study in August 2024, it has become apparent that the Beltline Gap Connection project and its plan to connect a short segment along Marlee Avenue from Roselawn Avenue to Eglinton Avenue West requires additional study and consideration as part of a more comprehensive transportation and mobility

plan for the Marlee Avenue corridor and the larger Growing Marlee-Glencairn precinct with the substantial additional new growth and intensification coming this emerging new neighborhood.

REQUIRES RE-OPENING:

Requires a re-opening of Item 2024.IE14.4 (June 26 and 27, 2024, Council Meeting), only as it pertains to Parts 1.b. and 1.c. of the decision.
