Motion without Notice

MM32.50	ACTION			Ward: All
---------	--------	--	--	-----------

Requesting Legal Review of Bid Process Complaint Relating to Toronto Parking Authority RFP-PARCS-202407 - by Councillor Frances Nunziata, seconded by Councillor Paula Fletcher

** This Motion has been deemed urgent by the Chair.*

** This Motion is not subject to a vote to waive referral. This Motion has been added to the agenda and is before Council for debate.*

Recommendations

Councillor Frances Nunziata, seconded by Councillor Paula Fletcher, recommends that:

1. City Council request the City Manager, in consultation with the City Solicitor, to review the Toronto Parking Authority's bid process related to the Toronto Parking Authority's RFP-PARCS-202407 procurement for compliance with applicable laws and policies, and provide the results of that review to City Council by the fourth quarter of 2025.

Summary

I wish to ask the City Manager, in consultation with the City Solicitor, to review for compliance with applicable laws and policies the Toronto Parking Authority's bid process related to its Parking Access and Revenue Control System procurement (RFP-PARCS-202407), in light of a bid process complaint recently submitted by a bidder in respect of this procurement.

The Request for Proposal concerns the replacement of the Toronto Parking Authority's aging parking access and revenue control system, which is over 25 years old and technologically obsolete. The new system aims to streamline workflows, reduce manual ticket processing, and improve service reliability through automation and remote monitoring.

This motion is urgent due to there being no Council meeting scheduled until late September after the current meeting, and the Toronto Parking Authority Parking Access and Revenue Control System procurement currently being underway.
