To the City Clerk:

Please add my comments to the agenda for the June 25, 2025 City Council meeting on item 2025.MM31.8, East Mall Bus 111 Route Public Consultation - by Councillor Stephen Holyday, seconded by Councillor Vincent Crisanti

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments: Here are some concerns #1 No local Community Consultation took place #2 Buses will be from 5 am to 11 am or 20 hours a day, #3 Already 18 school buses, 800 students and 80 daycare kids at Josyf Cardinal Slipyj Catholic school #4 the road infrastructure was not built for this type of vehicle traffic #5 the new buses will add more time to buses commute #6 Community Safety –lots of Children in neighborhood and East Mall was designed for this type of public transit and therefore should be developed for providing public transit for our community. When traffic gets backed up on Eglinton or Surrounding areas there is no way out.

Over and out
