North York Community Council

RE: Livingstone Ave - Accessible parking

Dear Chair and Members,

In December 2024, North York Community Council adopted NY19.20, which approved an accessible parking space for a resident on Livingstone Avenue. The approved space is in front of an old address for the resident, so the item needs to be reopened so the space can be approved for the resident's current address.

RECOMMENDATIONS:

It is recommended that:

1. North York Community Council re-open item NY19.20, titled "Livingstone Avenue – Accessible Parking Spaces" with respect to parts 1 and 2 of the decision of North York Community Council.
2. North York Community Council delete parts 1 and 2 and adopt the following:

"1. North York Community Council designate an accessible parking space to operate from the 16th day of each month to the last day of each month, April 1st to November 30th on the north side of Livingstone Avenue between a point 51 metres east of Times Road and a point 5.5 metres further east.

2. North York Community Council designate an accessible parking space to operate from the 1st day of each month to the 15th day of each month, April 1st to November 30th and December 1st to March 31st on the south side of Livingstone Avenue, between a point 47.5 metres east of Times Road and a point 5.5 metres further east."
