Reopening NY12.14 - Bathurst Manor Neighbourhood Mobility Plan - Traffic Calming (Speed Humps) Update

Re: Reopening NY12.14: Bathurst Manor Neighbourhood Mobility Plan - Traffic Calming (Speed Humps) Update

Dear Members of North York Community Council,

On April 2, 2024, NY12.14 was considered by North York Community Council, and subsequently partially adopted. That decision authorized many traffic calming and community safety measures in the Bathurst Manor neighbourhood.

This motion seeks to add minor modifications to the plan proposed in NY12.14 including authorizing five additional speed humps on Maxwell Street in the three-block stretch between Codsell Avenue and Brighton Avenue, and all-way stop control be added at the intersections of Shaftesbury Street and Brighton Avenue, as well as the intersection of Maxwell Street and Waterloo Avenue

Recommendation

Councillor James Pasternak recommends that:

1. North York Community Council reopen Item NY12.14, titled "Bathurst Manor Neighbourhood Mobility Plan - Traffic Calming (Speed Humps) Update", from the Director, Planning, Design and Management, Transportation Services.
2. North York Community Council amend Item NY12.14 by adding the following new Recommendations:
 1. North York Community authorize the installation of traffic calming (speed humps) on Maxwell Street between Codsell Avenue and Brighton Avenue.
 2. North York Community Council direct the City Solicitor to prepare a by-law to alter the roadway on Maxwell Street, between Codsell Avenue and Brighton Avenue, to install five speed humps, generally as shown on Attachment 1 to this letter titled Speed Hump Drawing No. ATP24-BM-SH-061, from the Director, Planning, Design and Management, Transportation Services.
 3. North York Community Council authorize all-way compulsory stop control at the intersection of Shaftesbury Street and Brighton Avenue.
 4. North York Community Council authorize all-way compulsory stop control at the intersection of Maxwell Street and Waterloo Avenue.

Sincerely,

Councillor James Pasternak

Toronto - Ward 6, York Centre

Chair, North York Community Council

Attachment 1: Speed Hump Drawing No. ATP24-BM-SH-061
