Re: Garratt Boulevard – Heavy Truck Prohibition

Summary:

This motion authorizes City staff to implement a Heavy Truck traffic prohibition on Garratt Boulevard between Wilson Avenue and Gilley Road to maintain safe two-way traffic on Garratt Boulevard. Construction and other industry traffic has been heavy in this area and will only increase in volume as the Downsview lands north of Ancaster are developed. Alternative route for construction traffic is via Dufferin St, Beffort Rd, and Hanover Rd. This will keep construction traffic to the outside of the community while providing more efficient access.

Recommendation:

1. City Council prohibit heavy vehicles at all times on Garratt Boulevard between Wilson Avenue and Gilley Road.

Thank you for your consideration.

Sincerely,

Councillor James Pasternak
