Re: Request for Report on Planning Applications before the Ontario Land Tribunal

Dear Chair and Members,

Given the unprecedented number of planning applications that are being appealed to the Provincial Ontario Land Tribunal (OLT), it is critical that local councillors have a comprehensive and up-to-date list of applications before the OLT, both current active cases and past decisions made by this Provincial Tribunal, so this information can be shared with constituents who are directly impacted by OLT decisions.

RECOMMENDATIONS:

1. North York Community Council direct the Chief Planner & Executive Director to report back to Community Council quarterly with a breakdown of planning applications that have been appealed to the Ontario Land Tribunal (OLT). This breakdown should include the address, the status of the application, and the decisions made by the OLT.
2. These reports should include a brief summary of basic OLT processes as they pertain to residential development applications.

Best regards,
