Draft Recommendations

1. North York Community Council prohibit parking at all times on the west side of Falkirk Street, between Old Orchard Grove and Brooke Avenue.

Falkirk Street is an 8.5 metre wide, north/south, two-way local roadway, between Old Orchard Grove and Brooke Avenue. Parking is currently allowed for the unsigned statutory three-hour limit on both sides of the street. There is a private elementary school located at the southeast corner of the intersection of Falkirk Street and Brooke Avenue. During school arrival and dismissal times school parents park on both sides of the street, which obstructs two-way travel.

Prohibiting parking at all times on the west side of Falkirk Street, between Old Orchard Grove and Brooke Avenue, will encourage school parents to park on the east side of the street and improve two-way traffic flow.

Cost

The signage costs associated with the proposed amendments are approximately \$500. Funding is available within the Transportation Services 2025 Operating Budget.
