FROM: Leaside Residents Association
DATE: 23 April 2025
ITEM: 2025.NY23.26

Dear Councillors:

The Leaside Residents Association is glad to support the recommendations regarding the above item, contained in the April 10, 2025 letter from Ward 15 Councillor Rachel Chernos Lin.

During the construction of the Metrolinx Crosstown LRT, reduced capacity along Eglinton Avenue East has led to much congestion in the area, especially along the residential streets of North Leaside. The situation is all too well described in the summary of this item.

We hope you will support these recommendations, to bring relief (and greater road and sidewalk safety as well) to the area.

Thank you for your consideration,

Carol Burtin Fripp
Co- President
Leaside Residents Association
