**RE: 2025.PB26.1, 3100 Weston Road - Notice of Intention to Designate a Property under Part IV,
Section 29 of the Ontario Heritage Act**

As the Member of Provincial Parliament representing Humber River – Black Creek, I am writing to you in support of the heritage qualities of 3100 Weston Road as outlined in item PB26.1.

This site is a landmark in the northwest end of Toronto, with a rich and storied history, many beautiful architectural and natural features, and is of immense importance to many.

Over 20,000 individuals have signed a community-led petition to preserve part of the site as a place of religious significance. To this day, I continue to hear from the public both locally and beyond about their continued interest in recognizing and preserving the heritage qualities of this deeply important place.

Sincerely,

Tom Rakocevic
Member of Provincial Parliament
Humber River – Black Creek
