PROPOSAL

The purpose of this City-initiated Zoning By-law Amendment is to facilitate a mixed-use development, including affordable rental housing on the City-owned property at 3725 Bloor Street West, also known as Block 3 of the Bloor-Kipling (Six Points) development area.

The recommended Zoning By-law Amendment permits a mixed-use building with maximum height of 143 metres (including mechanical penthouse). The building has a gross floor area of up to 56,000 square metres, of which a maximum of 50,000 square metres may be provided for residential uses and a minimum of 5,000 must be provided for non-residential uses. An 800 square metre Publicly Accessible Space in the form of a courtyard is also required.

The holding provision in the existing Etobicoke Zoning Code will be lifted as the site is carried forward into Zoning By-law 569-2013. The requirements for lifting the holding provision have been satisfied through the Six Points Interchange Reconfiguration.

Detailed information regarding the proposal, including background information and material may be obtained by contacting Dominik Matusik, Senior Planner at 416-397-2530, or by e-mail at Dominik.Matusik@toronto.ca.
