

## ***City of Toronto Act, 2006 Public Notice***

### **Area-Specific Amendment to the Sign By-law: 496 Evans Avenue**

**Toronto City Council will be considering recommendations to amend Municipal Code Chapter 694, Signs, General (the "Sign By-law"), to modify the regulations that apply to the property municipally known as 496 Evans Avenue, to permit a third party electronic ground sign.**

It is proposed that the amendments be adopted at the City Council meeting to be held on October 8, 2025. If adopted by City Council, the proposed amendments allow for and regulate:

- A third party sign in a location regulated by two site-specific area restrictions which prohibit the construction of third party signs.
- A sign with a sign face area of 63.2 square metres and a height of 15.3 metres.
- A sign with a "v-shaped" configuration, rather than the permitted "back-to-back" configuration.
- Reducing the required separation between third party signs and an R and OS sign districts.
- An initial ten-year permit term, double of the standard five-year term.

**The Chief Building Official and Executive Director, Toronto Building, is recommending that the Council of the City of Toronto refuse the amendments to the Sign By-law described above.**

**The Planning and Housing Committee may recommend that the Council of the City of Toronto amend the Sign By-law to approve the amendments to the Sign By-law described above.**
