Dear Members of the Planning and Housing Committee

RE: Agenda Item: PH18.5 – Housing Action Plan: Avenues Policy Review – January 23, 2025

On behalf of **Buttonwood Hill Residents Association (BHRA)** and the residents of our community, we **object** to the recommendations being presented at the Planning and Housing Committee on Thursday, January 23, 2025 entitled **PH18.5 – Housing Action Plan: Avenues Policy Review**.

It is our strong position that the residents of our community have not been provided with sufficient information, nor have there been proper public consultation meetings regarding this matter.

We therefore request that this matter be referred back to city staff so that public consultation meetings can be held, in person and in locations that are within a reasonable proximity and with sufficient notice to our community, with a full and detailed report of what is being proposed, so that residents can be given an opportunity to provide their comments and concerns regarding this matter.

We look forward to hearing from you.

Thanks kindly,
