To the City Clerk:

Please add my comments to the agenda for the April 10, 2025 Planning and Housing Committee meeting on item 2025.PH20.1, 7-9 Wardlaw Crescent - City-Initiated Zoning By-law Amendment - Decision Report - Approval

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments: I am a leader in the Rexdale community who has found a place to call home here after many years of finding it hard to do so in other parts of the city. I affirm that many youth within my community will only benefit and be elevated as assets to our neighbourhood if this project is approved with a positive and enthusiastic drive to establish what our community and entire city has been yearning for: a better place to call home.
