To the City Clerk:

Please add my comments to the agenda for the July 15, 2025 Planning and Housing Committee meeting on item 2025.PH23.3, Advancing Six Sites for the Homelessness Services Capital Infrastructure Strategy (HSCIS) - City-Initiated Official Plan Amendment and Six Zoning By-law Amendments - Decision Report - Approval

**Please post my comments publicly on the web site.**

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Comments:

I strongly support the zoning by-law and official plan amendments proposed for the six shelters in this item.

The City of Toronto desperately needs more shelter spaces. For a city so rich in resources, the level of homelessness is truly unacceptable.

Homelessness affects us all, city-wide. Property owners should not be able to make areas near their properties shelter-free zones.

Many thanks,
