**PH26.10 - Permanent Closure of a Portion of the Public Laneway at 66-66Y Third Street**

I am writing on behalf of the Lakeshore Village BIA to formally object to the routing of the statutory hearing regarding the permanent closure of the above-noted public highway to the Planning and Housing Committee (PHC). This decision should be presented to Etobicoke Community Council prior to Planning and Housing. There has been no community consultation regarding this laneway with the residents or surrounding businesses in the vicinity.

The BIA Board also requested information about this matter at the November 27<sup>th</sup> Annual General Meeting from Councillor Amber Morley. She implied that the issue had not gone to Etobicoke Community Council, and did not communicate that this was being brought forward to the Planning and Housing Committee meeting on December 3.

Sincerely,

Chris Korwin Kuczynski  
Vice Chair and Treasurer  
Lakeshore Village BIA
