

***Expression of Condolence for Bernard Green
by Toronto City Council***

Moved by: Councillor James Pasternak

Seconded by: Councillor Mike Colle

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Dr. Bernard Green on Friday, June 5, 2025, at the age of 81.

Dr. Bernard Green was the beloved partner to Helene Green, loving father of Jared, Barbi, Adam, Casey, Shael and Heidi. Proud and esteemed grandfather of Miranda, Avi, Noa, Mara, Gavin, and Mia. Brother of Al and Sabina, the late Sheila and Jack, and brother-in-law of Sheldon and Jo.

Dr. Bernard Green grew up in Downtown Toronto, attending Associated Hebrew Schools and Oakwood Collegiate Institute. He graduated from medical school at the University of Toronto in 1968 and started his independent practice as a physician at a clinic by Bathurst and Sheppard. After treating countless patients over four decades of works, he retired in 2018.

Dr. Green led a rich and full life, engaging with his community and setting an example through his participation on many boards and committees, most notably, Associated Hebrew Day Schools, Shaarei Shomayim Congregation, UJA Federation, and Breakthrough T1D (formerly known as the Juvenile Diabetes Research Foundation). He was a thoughtful and compassionate doctor with a fantastic sense of humour. Those he cared for will remember him warmly, as will their loving families.

Dr. Green also enjoyed playing golf in his spare time with friends at the Donalda Club and spending time with his grandchildren, taking them out to Toronto Raptors and Toronto Blue Jays games.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to the family and friends of Dr. Bernard Green.
