

EXPAND 119 TORBARRIE BUS SERVICE

TO THE TORONTO TRANSIT COMMISSION,

WHEREAS the 119 Torbarrie bus service is severely limited on weekdays, and does not run at all on weekends,

WHEREAS many members of the community depend upon this bus for shopping, work and school,

WHEREAS car ownership in Toronto is becoming increasingly unaffordable, leaving public transit as the most financially practical option for many families

We the undersigned petition the Toronto Transit Commission as follows:

- To expand the 119 Torbarrie weekday bus service and begin servicing the route on Saturday and Sunday.
