PETITION:
Say No to the Proposed Shelter at 1220 Wilson Avenue!

The City of Toronto is planning to build a shelter at 1220 Wilson Avenue (the empty lot beside the co-op). This proposal has raised serious concerns about community safety, particularly for children living in the building and attending the nearby school and daycare. The potential for increased crime and drug activity is also troubling.

In response, this petition was created to give our community a voice. If you share these concerns and do not support the shelter being built at this location, you are encouraged to add your **name and signature below**.

City Councillor James Pasternak will present the signatures at an upcoming meeting with the City Council.

Now is the time to speak up and make your voice heard! Let's stand together, Palisades!

DATE: September 4, 2025
TO: MAYOR OLIVIA CHOW & TORONTO CITY COUNCIL
FROM: THE MEMBERS OF PALISADES CO-OP
IN OPPOSITION OF: The Proposed Shelter at 1220 Wilson Avenue

We, the undersigned, respectfully petition the City of Toronto to consider an alternative site to 1220 Wilson Avenue that does not place the neighbourhood at risk.
