The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Jose Wilson Dimaculangan Castillo Senior on December 2, 2025.

Jose passed away at the age of 66 as a result of a tragic workplace incident. He was a member of the City of Toronto's Solid Waste Services team since July 2007. Most recently, he was a Solid Waste Collection Operator in District 4. He was a valued employee and member of the team for 18 years. Jose will be greatly missed.

Jose was known for his generosity, humour and willingness to lend a helping hand. He was a family man whose his legacy will live on in the values he instilled in his children.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Jose's wife Marylou, his three children Rommel (Donna), Wilma (Jason) and Jose Jr. (Michelle), his grandchildren Maya, Emma, Connor and Ava and to his friends and colleagues.
