PROPOSAL

This City-Initiated Zoning By-law Amendment proposes revisions to the Woburn Community By-law 9510, as amended by Site Specific Zoning By-law 22913, in order to reallocate unspent Section 37 funds. The in-force zoning and associated Section 37 agreement, approved in 1990, does not include a reallocation clause for unspent monies.

It is proposed to amend the Section 37 provision to allow for the potential reallocation of unspent Section 37 funds. The unspent monies secured in the amount of \$213,747.92 is currently allocated towards streetscape improvements, and are proposed to be re-allocated towards their original purpose or for general park improvements, including a splashpad within the Ward.

Additionally, amendments to the site-specific zoning by-law listed above would include the same reallocation authority as found in other site-specific zoning by-laws enacted after 2013, to authorize reallocation of unspent funds at the discretion of the Chief Planner and Executive Director, City Planning in consultation with the Ward Councillor.

No new development is proposed to the existing buildings at the above listed addresses as a result of these amendments.

Detailed information regarding the proposal, including background information and material may be obtained by contacting Samuel Baron, Senior Planner, Community Planning at 416-392-4582, or by e-mail at Samuel.Baron@toronto.ca.
