Title: Winter Maintenance on Heathfield Drive Path

Ward 24, Scarborough-Guildwood

### Recommendation:

1. City Council request the General Manager, Transportation Services to provide winter maintenance on the Heathfield Drive Path connecting Hill Crescent to Sylvan Avenue.

Transportation Services has reviewed and supports providing regular winter maintenance on the path known as the Heathfield Drive Path located on the north part of Heathfield Drive from Hill Crescent to Sylvan Drive.

The path is critical to all residents, providing a safe connection to Heathfield Drive, Sylvan Avenue and Hill Crescent connecting residents to public transit as well as to the Waterfront Trail system. The path has a high volume of users.

Thank you for your consideration of this request.

Sincerely,  
Paul W. Ainslie
