

NICK MANTAS | CITY COUNCILLOR

WARD 22, SCARBOROUGH-AGINCOURT

May 20, 2025

To: Scarborough Community Council

Dear Scarborough Community Council:

Re: Huntsmill Boulevard - Traffic Calming (Speed Humps) Re-opening Item SC22.10

At its meeting on May 1, 2025, Scarborough Community Council approved speed humps on Huntsmill Boulevard, between Bamburgh Circle and Arnall Avenue. There are two Huntsmill Boulevard and Bamburgh Circle intersections: the south intersection and the north intersection. The initial recommendations did not state the south or north intersection. Accordingly, Transportation Services is requesting a re-opening of Item 2025.SC22.10 to correct the wording of the decision to include a “south intersection” description for Huntsmill Boulevard and Bamburgh Circle intersection.

I recommend that:

1. Scarborough Community Council re-open Item SC22.10, titled “Huntsmill Boulevard - Traffic Calming (Speed Humps)”.
2. Scarborough Community Council amend its previous decision by adding the words “(south intersection)” to references of Bamburgh Circle, so that the decision reads as follows:

“The Scarborough Community Council:

1. Authorized the installation of speed humps on Huntsmill Boulevard, between Bamburgh Circle (south intersection) and Arnall Avenue.
2. Directed the City Solicitor to prepare a by-law to alter the roadway for the installation of 14 speed humps on Huntsmill Boulevard, between Bamburgh Circle (south intersection) and Arnall Avenue, generally as shown on Attachments 2, 3, and 4, Drawings TC-480, TC-481, and TC-482, dated April 2025, attached to the report (April 11, 2025) from the Director, Traffic Management, Transportation Services.
3. Subject to approval of Parts 1 and 2 above, reduced the speed limit from 40 km/h to 30 km/h on Huntsmill Boulevard, between Bamburgh Circle (south intersection) and Arnall Avenue, in conjunction with the installation of speed humps.”

Thank you,

Councillor Nick Mantas
Ward 22, Scarborough-Agincourt
