

NICK MANTAS | CITY COUNCILLOR

WARD 22, SCARBOROUGH-AGINCOURT

July 14, 2025

Dear Scarborough Community Council Chair & Members,

Re: Temporary Closure of Dowry Street in Ward 22

Summary/Background

The purpose of this motion is to request a temporary closure of Dowry Street.

A permanent road closure by Metrolinx was approved in 2018, Agenda Item History - 2018.SC32.40, While Metrolinx completes the work necessary for the permanent closure, the community has requested I expediate a temporary closure of Dowry Street until the permanent closure by Metrolinx is completed.

Currently, vehicles are using this dead-end portion of Dowry Street to drop off and pick up GO passengers, causing traffic chaos and creating unsafe conditions for vulnerable road users accessing Agincourt GO.

Recommendation

It is recommended that:

Scarborough Community Council temporarily close Dowry Street to vehicular traffic between a point 15 metres west of the east end of Dowry Street and a point 44.1 metres further west, from September 18, 2025, until such time that Metrolinx can design and deliver the permanent road closure to facilitate pedestrian and cycling infrastructure improvements to Agincourt GO Station.

I am bringing forward this motion to Scarborough Community Council and am requesting your support.

Sincerely,

Councillor Nick Mantas

Ward 22, Scarborough-Agincourt
