Toronto City Hall
100 Queen Street West
Toronto, ON M5H 2N2

Attention : Ms. Nancy Martins

Dear Councillor Ainslie and Members of the Scarborough Community Council:

**RE: SC19.2 - 900 Middlefield Road - Official Plan Amendment, Zoning Amendment Application
- Decision Report - Approval**

The Toronto Industry Network (TIN) is writing to ask that you defer consideration of this item until Owens Corning has had the opportunity to review crucial documents relating to this application only received this past Friday.

Owens Corning has been a long-time member of TIN and an important part of the Scarborough manufacturing community supplying insulation products to much of Canada and the Northeastern United States. Importantly, the company provides some 150 well-paying jobs. We believe that while more housing is needed in Toronto, the City also needs to help protect good jobs such as those found in manufacturing so people can afford to live here.

I thank you for your attention.

Sincerely,

Craig McLuckie,
President
