City Councillor  
Scarborough-Rouge  
Park  
Ward 25

May 1, 2025

Dear Scarborough Community Council,

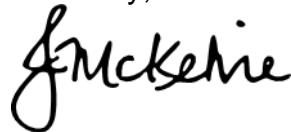

Following a study by the City of Toronto Transportation Services staff which recommended the installation of seventeen speed humps on Colonel Danforth Trail, my office conducted a poll of residents living on Colonel Danforth Trail to gauge their support for the installation.

Poll results (April 2 – 23, 2025):

- Yes: 60%
- No: 40%

Based on the results of the poll, I support the recommendation to install seventeen speed humps on Colonel Danforth Trail between Lawson Road and the southeast end of Colonel Danforth Trail.

Sincerely,

Deputy Mayor Jennifer McKelvie  
City Councillor, Ward 25, Scarborough-Rouge Park  
City of Toronto
