Re: ST8.3 - Council Member Appointments to the Federation of Canadian Municipalities Board of Directors.

I am writing to express my continued strong interest in serving as a Board of Director for the Federation of Canadian Municipalities (FCM), representing the City of Toronto and seeking reappointment to this position for the coming term.

As a current member of the FCM Board of Directors, I have gained valuable insights and established a proven track record in areas critical to municipalities. This experience has equipped me with a comprehensive skillset and a demonstrated ability to contribute to meaningful progress, which I am eager to leverage in my reappointment to continue championing Toronto's priorities within the FCM.

I am particularly committed to fostering open discussions on the significant challenges facing municipalities across Canada and collaborating on innovative solutions. Given the current economic climate, particularly the impact of US tariffs, the united voice of municipalities through organizations like the FCM is more crucial than ever in advocating for our shared interests and navigating these complex issues. I believe my continued participation on the Board will be instrumental in both shaping these solutions and facilitating their effective implementation within the City of Toronto.

I look forward to your support for my reappointment.

Sincerely,

Paul W. Ainslie
