Dear Deputy Mayor Malik and Members of the Striking Committee,

Re: ST8.3 – Council Member Appointments to the Federation of Canadian Municipalities Board of Directors

I am writing to express my interest in being re-appointed to the Board of Directors of the Federation of Canadian Municipalities (FCM). It has been an honour to serve in this capacity, and I believe that my continued involvement will be beneficial to advance common interests amongst municipalities in Canada.

In my short tenure at the FCM Board, I have actively engaged in various initiatives, most notably as the vice-chair of the Anti-Racism Equity and Inclusion Committee. This role has enabled me to advocate for policies that promote equity and inclusion within our municipalities, ensuring that all voices are heard and represented. It is crucial that we continue to address the systemic barriers that marginalized communities face, and I am committed to defending this cause.

As municipalities navigate the complexities of a shifting political landscape, particularly with the current tariff war, it is imperative that Toronto has a strong voice within FCM. Effective collaboration with other Canadian municipalities is crucial for our city, the largest in the country, to address shared economic challenges. In these uncertain times, a unified voice is essential to ensure that our concerns are heard by the Provincial and Federal governments.

Continued Board membership would allow me to further cultivate relationships with other municipal leaders, and champion policies that serve all Canadians. Therefore, I kindly ask for your support and consideration for my reappointment to the FCM Board.
