Re-Opening TE18.19 - 316-336 Campbell Avenue - Construction Staging Area (Phase 1)

Dear Chair and Members of Toronto and East York Community Council,

The applicant at 316-336 Campbell Avenue has requested an amendment to the dates of the public laneway closure to align with updated construction timelines. Transportation Services staff have been consulted on the updated recommendations and have no concerns.

RECOMMENDATIONS

1. Toronto and East York Community Council reopen Item TE18.19, titled "Construction Staging Area (Phase 1) - 316-336 Campbell Avenue."
2. Toronto East York Community Council delete Part 1 and Part 2 of its decision on TE18.19 and adopt the following:
 - a. Toronto and East York Community Council authorize the closure of a 1.5 metre wide, east side, portion of the public laneway east of Symington Avenue north of Dupont Street, between a point 35 metres north of Dupont Street and a point 56 metres further north, from March 1, 2025 to September 30, 2025, inclusive.
 - b. Toronto and East York Community Council designate the public laneway north of Dupont Street west of Campbell Avenue, between Campbell Avenue and the laneway west end, as one-way for eastbound traffic only, from March 1, 2025 to September 30, 2025.

Sincerely,

Alejandra Bravo
