## RE: Dovercourt Road - Removal of Accessible Loading Zone

Dear Chair and Members of Toronto and East York Community Council,

During an investigation to assess the feasibility of installing an accessible parking space, Transportation Services discovered an on-street accessible loading zone location that was removed prior to July 2009, but not deleted in the by-law. The by-law entry will be deleted to reflect the existing parking conditions in the area. The below amendment to the parking regulations on Dovercourt Road does not require the installation or removal of parking signs.

### RECOMMENDATIONS

1. City Council rescind the existing accessible loading zone in effect at all times on the east side of Dovercourt Road, between a point 60 metres north of Shanly Street and a point 9.5 metres further north.

Sincerely,

**Alejandra Bravo**  
City Councillor
