## Re: All-Way Stop Control and Parking Amendments – Denison Avenue and Carr Street

Dear Toronto and East York Community Council members:

### SUMMARY

Improvements are being made to Randy Padmore Park. My office has heard concerns from local residents regarding safe and accessible access to the west side entrance of Randy Padmore Park at the intersection of Denison Avenue at Carr Street. In order to address these concerns, I'm seeking to install compulsory stop controls and improved crosswalk.

### RECOMMENDATIONS:

It is recommended that:

1. Toronto and East York Community Council authorize a compulsory stop control for southbound traffic on Denison Avenue at Carr Street.
2. Toronto and East York Community Council authorize a compulsory stop control for eastbound traffic on Carr Street at Denison Avenue.
3. Toronto and East York Community Council amend the existing stopping prohibition in effect at all times on the east side of Denison Avenue, between Queen Street West and Carr Street, to be in effect from Queen Street West and a point 12 metres north of Carr Street.

Sincerely,

Ausma Malik  
Deputy Mayor  
City Councillor, Ward 10, Spadina-Fort York
