

February 5, 2025
Toronto and East York Community Council
City Hall, Committee Room 1
100 Queen Street West
Toronto ON M5H 2N2

Dear Committee Members,

Rescinding Westbound Right-Turn Prohibitions - Shuter Street

I am writing to request support to rescind the current westbound right-turn prohibitions along Shuter Street from Poulett Street to Seaton Street.

Upon thorough review conducted by Transportation Services, it is concluded that the existing no-right-turn prohibitions on Shuter Street, originally intended to deter illicit activity, have ceased to be effective. Lifting these prohibitions would allow residents more options to travel between work and home.

RECOMMENDATION

It is recommended that:

1. Toronto and East York Community Council rescind the westbound right-turn prohibition in effect at all times (bicycles excepted) at the intersection of Shuter Street and Berkeley Street.
2. Toronto and East York Community Council rescind the westbound right-turn prohibition in effect at all times (bicycles excepted) at the intersection of Shuter Street and Milan Street.
3. Toronto and East York Community Council rescind the westbound right-turn prohibition in effect at all times (bicycles excepted) at the intersection of Shuter Street and Ontario Street.
4. Toronto and East York Community Council rescind the westbound right-turn prohibition in effect from 7:00 p.m. of one day to 7:00 a.m. of the next following day (bicycles excepted) at the intersection of Shuter Street and Poulett Street.

5. Toronto and East York Community Council rescind the westbound right-turn prohibition in effect at all times (bicycles excepted) at the intersection of Shuter Street and Seaton Street.

Chris Moise
City Councillor
Ward 13 - Toronto Centre
