Dear Chair and Members,

Re: Accessible Loading Zone – Munford Crescent

BACKGROUND:

I request the implementation of an accessible loading zone to support a family's access to TTC Wheel-Trans services. The designated space will provide a safe and convenient area for pick-up and drop-off, ensuring improved mobility and accessibility for residents with disabilities.

The proposed loading zone will enhance equitable transportation options and contribute to a more inclusive community.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council designate an accessible loading zone to be in effect at all times on the west side of Munford Crescent, between a point 20 metres north of Chapman Avenue and a point 7 metres further north.

Brad

Respectfully,

Brad Bradford

Toronto City Councillor
Beaches-East York | Ward 19
