Dear Chair and Members,

Re: Parking Amendments – Sammon Avenue

BACKGROUND:

Michael Garron Hospital requires a temporary adjustment to its main entrance. After meeting with their team, it was decided that to ensure safe and accessible patient transfers during this period, the hospital needs to establish an Accessible Loading Zone.

To accommodate this temporary loading zone, some paid parking spaces must be temporarily removed. This change is necessary to maintain unobstructed access for patients, hospital transport vehicles, and those with mobility needs.

City staff have reviewed the request and support the temporary removal of parking to prioritize accessibility and patient safety.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council amend the existing parking machine regulation in effect from 9:00 a.m. to 9:00 p.m., daily, at a rate of \$4.25 per hour and for a maximum period of three hours, on the north side of Sammon Avenue, between a point 131 metres east of Coxwell Avenue and a point 29 metres west of Knight Street, to be in effect between a point 153 metres east of Coxwell Avenue and a point 29 metres west of Knight Street.
2. Toronto and East York Community Council designate an accessible loading zone to be in effect at all times, on the north side of Sammon Avenue, between a point 131 metres east of Coxwell Avenue and a point 22 metres further east.

Respectfully,

Brad Bradford

Toronto City Councillor
