Re: Speed Humps on Logan Avenue between McConnell Avenue and Danforth Avenue

Dear Councillor Moise and Toronto and East York Community Council,

Residents of Logan Avenue between McConnell Avenue and Danforth Avenue have voted in favour of speed hump installation. These traffic calming measures would enhance safe traffic flow for residents.

Parents of Frankland Community School at 816 Logan Avenue, have also expressed their support for speed humps.

Recommendations:

1. Toronto and East York Community Council authorize the installation of traffic calming (speed humps) on Logan Avenue between McConnell Avenue and Danforth Avenue.
2. Toronto and East York Community Council direct the City Solicitor to prepare a by-law to alter the roadway to install four speed humps on Logan Avenue between McConnell Avenue and Danforth Avenue, generally as shown on the attached Drawing No. TC-501, dated April 2025 from the Director, Traffic Management, Transportation Services.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
