## **RE: Harvie Avenue – Parking Amendments**

Dear Chair and Members of Toronto and East York Community Council,

Residents have contacted my office to share concerns regarding illegal parking in a no parking zone on Harvie Avenue. Despite repeated enforcement and dozens of parking tickets, vehicles continue to block the northbound lane daily. This issue has created serious traffic and safety hazards for residents, especially during the winter months when snow removal is impacted.

This proposed change upgrades the current parking restriction from a no parking area to a no stopping, which will allow for more effective enforcement, discourage repeat violations, and improve safety in the community.

### **RECOMMENDATIONS**

It is recommended that:

1. Toronto and East York Community Council rescind the parking prohibition in effect at all times on the east and north sides of Harvie Avenue, between a point 36 metres north of Rochdale Avenue and Redhill Avenue.
2. Toronto and East York Community Council rescind the parking prohibition in effect at all times on the west and south sides of Harvie Avenue, between Rogers Road and Redhill Avenue.
3. Toronto and East York Community Council prohibit parking at all times on the east side of Harvie Avenue, between a point 36 metres north of Rochdale Avenue and Kitchener Avenue.
4. Toronto and East York Community Council prohibit standing at all times on the east side of Harvie Avenue, between Kitchener Avenue and Redhill Avenue.
5. Toronto and East York Community Council prohibit parking at all times on the west side of Harvie Avenue, between Rogers Road and Kitchener Avenue.
6. Toronto and East York Community Council prohibit standing at all times on the west side of Harvie Avenue, between Kitchener Avenue and Redhill Avenue.

Sincerely,
