**To:** Toronto and East York Community Council  
**From:** Director, Traffic Management, Transportation Services  
**Re:** Accessible Parking Space Relocation - Riverdale Avenue  
**Wards:** Ward 14, Toronto - Danforth

Transportation Services is requesting the Ward 14 Councillor to re-open item TE18.25 to amend the recommendation to install an accessible parking space on Riverdale Avenue at the May 1, 2025, Toronto and East York Community Council. Staff request that this memorandum accompany the Councillor's letter.

## **Summary**

- X Staff **support** the draft recommendations provided below
- Staff **do not support** the draft recommendations provided below
- Staff do not have sufficient data and/or time to determine if the draft recommendations provided below can be supported by staff, at this time.

## Draft Recommendations

1. *Toronto and East York Community Council reopen Item TE18.25, headed "Accessible Parking Spaces - December 2024 (Delegated)", from the Director, Traffic Management, Transportation Services, for further consideration, pertaining only to the accessible parking space on the south side of Riverdale Avenue.*
2. *Toronto and East York Community Council delete the entry in Attachment 1: On-street Accessible Parking Spaces to be Installed/Removed, attached to the report (November 18, 2024) from the Director, Traffic Management, Transportation Services, pertaining only to the accessible parking space the south side of Riverdale Avenue, and replace it with the following:*

*On-street accessible parking spaces to be installed (Table 1):*

### *Ward 14 Location*

*Riverdale Avenue, south side, between a point 134.5 metres east of Broadview Avenue and a point 5.5 metres further east.*

Summary: At its meeting on December 4, 2024, Toronto and East York Community Council approved an accessible parking space on the south side of Riverdale Avenue. This location was subsequently found to be unsuitable due to the presence of underground utilities that

were not noted during the initial site visit. Transportation Services is now requesting that this accessible parking space be relocated to accommodate the required underground utility clearances prior to the installation of signage. As the previous approval was less than one year ago, Council procedures require that the previous item be re-opened and amended.

The Community Council decision can be found at:

<https://secure.toronto.ca/council/agenda-item.do?item=2024.TE18.25>

### **Financial Impact**

Staff do not expect any additional costs associated with approving the draft recommendations.
