Recommended Candidates and Biographies for the McCormick Playground Arena Board

Christina Lee-Rotstein

Christina Lee-Rotstein is an independent market research consultant focused on product development, commercialization, and customer experience. She works primarily in B2B research, with specialization in insurance and agriculture. She currently serves as a public member on the Councils of RIBO and CDHO. She holds a BA from Wilfrid Laurier, an MA from Queen's, and a CIP designation.

Inna Rumiantseva

Strategic public sector leader with 20+ years driving transformational change, digital modernization, and cross-government collaboration. Known for advancing people-centred innovation, policy impact, and enterprise implementation in complex environments. Passionate about public value, inclusive leadership, and building future-ready institutions.

Monica Reddon

Monica brings diverse and unique experience to the board, obtained from living, working and being actively involved in a number of communities across Canada and abroad. She is a structured problem solver, skilled in project management and governance, effectively leading teams to decisive and optimum outcomes. McCormick has been a big part of the community where she and her family reside.

Nicholas Fillion

Passionate hockey enthusiast and dedicated recreational player. With over 20 years of operational expertise, I've led teams to deliver exceptional results.
