**RE: Re-Installing a Traffic Control Personnel at Yonge & Heath Street West**

Dear Chair and Members of Toronto and East York Community Council,

I am kindly asking for your support of my motion to re-install a Traffic Control Personnel (TCP) at the intersection of Yonge Street and Heath Street West to assist safe pedestrian crossings. The Deer Park community continues to raise concern over the traffic flows at this intersection and my office has received community feedback that prior TCP installations have made the community feel safer while crossing this busy intersection.

**RECCOMENDATION:**

It is recommended that:

1. Toronto and East York Community Council request the Manager, Active Traffic Management to install Traffic Control Personnel to assist pedestrians crossing the road at the Yonge Street and Heath Street West intersection; The Traffic Control Personnel shall be installed, from Monday to Friday at 7:00 a.m. – 10:00 a.m. and 3:00 p.m. – 6:00 p.m., until the Yonge Street and Heath Street West intersection is realigned.

Sincerely,

Councillor Josh Matlow
