Re: Advancing Speed Humps on Foxley Street

Summary:

My office has heard from residents on and in the vicinity of Foxley Street in the Ossington area regarding the need for traffic calming on their street to address safety concerns, particularly due to the nature of speeding and traffic on the nearby Ossington strip.

Recommendation:

1. **Toronto and East York Community Council authorize the installation of traffic calming (speed humps) on Foxley Street, between Ossington Avenue and Dovercourt Road.**
2. **Toronto and East York Community Council direct the City Solicitor to prepare a by-law to alter the roadway on Foxley Street, between Ossington Avenue and Dovercourt Road, to install six speed humps, generally as shown on the attached Drawing No. TC-422 dated November 2024 from the Director, Traffic Management, Transportation Services.**

Sincerely,

Deputy Mayor Malik
Ward 10, Spadina Fort-York
