

Temporary Adjustments to Parking Regulations for 2025 Canadian National Exhibition (Delegated)

Date: July 7, 2025

To: Toronto and East York Community Council

From: Director, Traffic Management, Transportation Services

Wards: Ward 4, Parkdale-High Park

SUMMARY

This staff report concerns a matter for which the Community Council has delegated authority from City Council to make a final decision. The temporary parking amendments recommended are required to enhance traffic operations and pedestrian safety during this year's Canadian National Exhibition (CNE), which takes place from August 15 to September 1, 2025, inclusive.

A companion report, "Temporary Adjustments to Traffic and Parking Regulations for 2025 Canadian National Exhibition (Non-Delegated)", dated July 8, 2025, outlines the required non-delegated temporary traffic and parking amendments for locations with Toronto Transit Commission (TTC) service.

RECOMMENDATIONS

The Director, Traffic Management, Transportation Services, recommends that:

1. Toronto and East York Community Council authorize the temporary parking regulations on streets in the vicinity of Exhibition Place that are impacted during the CNE, identified in Attachment 1 attached to the report "Temporary Adjustments to Parking Regulations for 2025 Canadian National Exhibition (Delegated)", dated July 8, 2025, from the Director, Traffic Management, Transportation Services. The temporary parking regulations will override all existing regulations for the duration of this event (August 15, 2025 to September 1, 2025).

FINANCIAL IMPACT

The estimated cost of the changes in this report is approximately \$6,000.00, which would be covered by Transportation Services Division's 2025 Operating Budget.

DECISION HISTORY

Annually, Transportation Services requests Community and City Council authority to implement a number of temporary traffic and parking regulations on various streets in the vicinity of Exhibition Place that are impacted by the CNE.

COMMENTS

Having regard for the high volume of vehicular and pedestrian traffic generated during this annual event, the temporary parking regulations as shown in Attachment 1 will help maintain efficient traffic conditions in the general area of the CNE while recognizing the impacts on local residents. None of the streets listed in Attachment 1 have regular TTC routes. A map of the affected streets is included in Attachment 2. The temporary traffic and parking amendments include:

- No standing at anytime on Temple Avenue, north side, between Dufferin Street and Tyndall Avenue
- No standing at anytime on Thorburn Avenue, north side, between Dufferin Street and Tyndall Avenue
- No standing at anytime on Tyndall Avenue, both sides, between Thorburn Avenue and King Street West
- No standing at anytime on Tyndall Avenue, west side, between Springhurst Avenue and Thorburn Avenue
- 24-hour permit parking on the various sides and sections identified on Cowan Avenue, Dunn Avenue, Elm Grove Avenue, Fort Rouille Street, Gwynne Avenue, Melbourne Avenue, Spencer Avenue, Temple Avenue, Thorburn Avenue and Tyndall Avenue

It is noted that a companion report is also submitted relating to temporary traffic and parking adjustments for the 2025 CNE for streets served by transit routes and requiring City Council approval.

The Ward Councillor has been advised of the recommendation of this report.
