**Re: Naming a Parkette at 55B Brock Avenue in Honour of Pat Capponi**

Dear Members of the Toronto and East York Community Council,

I am requesting that Toronto and East York Community Council add the attached naming report to the agenda as a new business item.

The report seeks approval from Community Council to name a new parkette located at 55B Brock Avenue as “Pat Capponi Parkette”. The proposal **satisfies the criteria** of the *Property Naming Policy* and aligns with the *Guiding Principles for Commemoration*.

This proposal has also garnered **significant support** from long-time residents and community members who either collaborated directly with Pat Capponi or recognize her substantial impact on the Parkdale community.

Lastly, as a prerequisite for construction, both the parkette's naming proposal and its subsequent approval must be finalized **before** construction starts. Given the imminent start of work on this new parkette, staff recommended the addition of this time-sensitive report to the agenda.

Sincerely,

Councillor
