Re: Denvale Road Traffic Calming – Speed Hump Relocation

BACKGROUND:

Dear Chair and Committee Members,

This item relates to “TE7.88 - Traffic Calming - Denvale Road, between St. Clair Avenue East and Northdale Boulevard.” Residents expressed concern about the location of the speed humps initially passed. Staff were asked to reevaluate the previous proposed location of speed humps and provide alternatives. Staff have recommended alternatives.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council authorize the relocation of an approved speed hump on Denvale Road between Eden Park Road and Ashall Boulevard, generally as set out in Drawings Nos. TC-156 and TC-157, dated January 2025, attached to the motion entitled “Denvale Road - Speed Hump Relocation”.

Respectfully,

Brad Bradford
