Dear Committee Members,

Installation of an Accessible Loading Zone - 80 Mill Street

I am writing to request parking amendments to Mill Street to allow for safe pick up and drop off at 80 Mill Street. In consultation with local residents and the Gooderham and Worts Neighbourhood Association, turning the existing "15-minute parking" zone outside the entrance to 80 Mill Street to an Accessible Loading Zone will ensure that people using Wheel-Trans services or accessibility permits can be picked up and dropped off safely outside 80 Mill Street.

RECOMMENDATION

It is recommended that:

1. City Council rescind the existing maximum 15-minute parking regulation in effect at all times on the north side of Mill Street, between a point 58 metres west of Cherry Street and a point 11 metres further west.
2. City Council designate an accessible loading zone to be in effect at all times on the north side of Mill Street, between a point 58 metres west of Cherry Street and a point 11 metres further west.
