RE: Dupont Street – Parking Amendments

Dear Chair and Members of Toronto and East York Community Council,

Small business owners on Dupont Street near Campbell Avenue have expressed concerns regarding the lack of available parking spaces for customers visiting their locations. The current parking regulations, which include an unsigned parking limit, fronting these businesses create conflicts for visitors and customers in the neighbourhood.

The proposed recommendations from Transportation Services will implement a one-hour signed maximum on the section of Dupont Street where the impacted businesses are located. These changes will help to discourage long-term parking, protect spaces for permit parking holders, and support local businesses by increasing parking turnover for visitors and shoppers.

RECOMMENDATIONS

Councillor Alejandra Bravo recommends that:

1. City Council authorize parking for a maximum period of one-hour from 8:00 a.m. to 5:00 p.m., Monday to Friday, on the south side of Dupont Street, between a point 13.5 metres west of Campbell Avenue and a point 31.5 metres further west.
2. City Council prohibit stopping at all times on the south side of Dupont Street, between Campbell Avenue and a point 13.5 metres west.
3. City Council prohibit stopping at all times on the south side of Dupont Street, between a point 45 metres west of Campbell Avenue and Symington Avenue.

Sincerely,

Alejandra Bravo
City Councillor
Ward 9, Davenport
